Microsoft
Dynamics 365

Staffing Software for the Enterprising Staffing Agency.

1Staff is the leading enterprise staffing and recruitment solution designed to fully leverage the Microsoft Dynamics platform. Built to fit the unique needs of the staffing industry, 1Staff is powered by Dynamics 365, an intelligent CRM and ERP used by millions across the world.

1Staff Front Office powered by Microsoft Dynamics 365 Customer Engagement, will help your sales people find and service clients, help your recruiters manage candidates and fill jobs quicker and help your compliance team drive efficiencies and de-risk the onboarding process.

1Staff Back Office is built on two platforms, you can choose to implement it for Microsoft Dynamics 365 Business Central or Microsoft Dynamics GP. Both offer powerful pay/bill and full financials (GL/AP/AR). 1Staff Back Office will help your workforce capture their time, help finance smooth the pay/bill process and help the executive control and grow the business.

Helping our customers achieve more with technology

1Staff 365 offers full mobility for all roles from Sales, Compliance, Recruiting to Finance, and your talent. 1Staff can be accessed via a browser, tablet or mobile phone

What We Offer

A full end-to-end staffing solution

Specifically designed for staffing agencies, 1Staff provides a full front to back office staffing solution. We understand there are no two staffing firms that are exactly alike, which is why 1Staff is configurable for your unique needs.

FRONT OFFICE

WORLD CLASS DIGITAL SALES AND MARKETING

Implement a unified platform for your organization with Microsoft's suit of business applications including Sales and Marketing. With Microsoft Dynamics 365, you'll have the only portfolio of intelligent business applications that empowers everyone to deliver operational excellence and create a more engaging customer experience.

CANDIDATE & CUSTOMER SOURCING

From resume parsing to candidate search, 1Staff powered by Microsoft Dynamics 365 has the tools needed for your salespeople and recruiters to save time and be more efficient.

FULL MOBILITY, OUTLOOK AND MICROSOFT TEAMS

1Staff can be accessed on a browser, inside Outlook or Microsoft Teams. For those on-the-go, 1Staff offers full mobility for all roles including your talent.

CONFIGURATION

Not only can you rename fields and redesign forms, you can add entirely new fields and related data forms, build new flows and automations without custom programming.

ADAPTABILITY

By combining the power of 1Staff Staffing Software with Microsoft Dynamics 365, you get a powerful system to grow with your business and change as fast as your customers change.

BACK OFFICE

FULLY INTEGRATED FINANCIALS

The fully integrated cloud ERP Financials including accounts receivable, accounts payable, general ledger, financial reporting and more.

FLEXIBLE TIME & EXPENSE ENTRY OPTIONS

1Staff can process large volumes of transactions quickly and provides total flexibility over pay types by job, multiple units of time, and entry by piece/unit. Employees can also attach receipts

ADVANCED PAY/BILL SYSTEM

1Staff features streamlined pat/bill processing allowing you to operate at scale across employees and contracting talent. We will also find you the payroll processing option that best suits your business no matter where in the world you're located.

COMPLETE INVOICE FLEXIBILITY

Invoice thousands of clients electronically with a push of a button. Ensure even the most demanding requirements are met with client defined week-ending dates, unlimited invoice frequencies and formats as well as flexibility invoice layouts & design.

Our knowledge of the staffing industry helps your business achieve more from your Business Intelligence and Corporate Performance strategy. With 1Staff Analytics, Microsoft Power BI and 1Staff Planning we will integrate your operational and financial planning and analysis perspectives and give you a complete view of performance, now and future, driving your growth and acquisition strategies.
